

## **WST-9760 HD-BTU**

The WST-9760 HD-BTU is a durable, rugged 1D/2D industrial grade 2.4G wireless scanner, capable of meeting the requirements of the world's harshest working environments including warehouses and manufacturing.

The WST-9760 has the highest price/performance ratio in the series and can read most bar codes used in commerce and industry. It is suitable for most application scenarios to meet daily bar code reading needs.

## **D-Tech DB-S214 BT & DB-W614 BT**

The versatile 1D/2D DB-S214 BT and the compact DB-W614 BT can work with PC's and Laptops plus Bluetooth devices. Supports direct 2.4G wireless transmission and Bluetooth protocol wireless mode. Ideal for use in class rooms and libraries.

The direct LOS 2.4G wireless range can reach up to 40 metres. Both the DB-S214 and DB-W614 also include remote data storage capability for stocktaking operations.

## ***D-Tech 1D/2D DB-JY500 USB Desktop Scanner*** ***Available in White or Light Blue***

**Foldable Omni-directional  
Barcode Scanner**  
0-270° Adjustable angle

Ergonomically exciting and Incorporating the latest **CMOS camera** technology the DB-JY500 has no internal moving parts to break or wear ensuring a long and reliable service life.

The Hi-Performance DB-JY500 comes supplied with fitted USB cable so installation is as easy as connecting to the PC's USB port and letting Windows automatically allocate the required support resources. i.e. Plug & Play.

All popular bar codes formats are catered for including the new generation 2D formats like Aztec; QR code; PDF 417; Datamatrix.
