WST-9760 HD-BTU

The WST-9760 HD-BTU is a durable, rugged 1D/2D industrial grade 2.4G wireless scanner, capable of meeting the requirements of the world's harshest working environments including warehouses and manufacturing.

The WST-9760 has the highest price/performance ratio in the series and can read most bar codes used in commerce and industry. It is suitable for most application scenarios to meet daily bar code reading needs.

D-Tech DB-S214 BT & DB-W614 BT

The versatile 1D/2D DB-S214 BT and the compact DB-W614 BT can work with PC's and Laptops plus Bluetooth devices. Supports direct 2.4G wireless transmission and Bluetooth protocol wireless mode. Ideal for use in class rooms and libraries.

The direct LOS 2.4G wireless range can reach up to 40 metres. Both the DB-S214 and DB-W614 also include remote data storage capability for stocktaking operations.
