

Polyester Asset Bar Code Label Order Form

Name _____

Institution _____

Address _____

Email _____ Phone _____ Fax _____

Date of order _____ Your order number _____

The bar code can take the form of a five, six or seven digit number eg: **00012**, **2A0365**, **B056780** or **LHS0002** or any other combination of letters and numbers that may be required. Bar codes of this style are typical of many asset number requirements, an Alpha component is sometimes used to identify the location of an asset. Each bar code can have a label header that displays the name of your institution / business or the header can be omitted. The examples shown below are just a sample of what can be produced.

Please complete all of the details below to ensure correct ordering.
