Date of order _____ Your order number _____

Each bar code appears like this **I 0365 000035 6** or this **U 0365 001534 7** and each bar code has a label header that displays the name of your institution. The first letter is usually a **U** for borrower labels or an **I** for items. The following 4 positions contain a 4 digit number that uniquely identifies your location. (For schools, this is more usually the school number). The next 6 digits are the "item number" or "borrower number". These values begin at 1 and sequentially increment, the final digit is a checksum number used internally by the automation software for security purposes, it can be ignored.

Please complete all of the details below to ensure correct ordering.
