

Oasis Format Bar Code Label Order Form

Name _____
Institution _____
Address _____

Email _____ Phone _____ Fax _____
Date of order _____ Your order number _____

Each bar code appears like **R 01807P 4105** or **B 00687A 4105** and each bar code has a label header that displays the name of your institution. The first letter is usually a **B** for borrower labels or an **R** for items. The next 5 positions are the "item number" or "borrower number", these values begin at 1 and sequentially increment. The following digit is a checksum test number, it is used internally by the automation software and can be ignored. Finally, the remaining 4-digit number uniquely identifies your location. (For schools, this is more usually the school number). The prefix **R** for item or the **B** for borrower can be substituted for another character if required.

Please complete all of the details below to ensure correct ordering.

Label Header _____

Site I.D. code (4 digits school number – appears on every label) _____

Range of numbers of **Borrower** bar code labels From _____ To _____
